

What's Kickin'?

MULETOWN H.O.G #2033

The purpose of this chapter is to promote responsible motorcycling activities for local Harley Owner Group (H.O.G.) members by conducting Chapter activities and encouraging members to participate in other H.O.G. events.

Volume 10, Issue 2 • Summer 2017

Assistant Director's Report

Ken Steverson

By the time you read this nearly half of our riding season will be over. I want to thank our road captains for putting together some "hum dinger" rides. They never fail to come up with new roads and new ways to get to sometimes familiar destinations. New destinations and new roads are coming up in the second half of the season and I hope you will support your road captains by turning out for the rides. I've been very impressed with the ride turnouts this season and that's an indication that we're doing the kind of riding you enjoy. If you have thoughts about new destinations please talk to a road captain and help put together a ride.

There is a lot to come during the coming

months. First is the Regional H.O.G. Rally in Cookeville July 11-15. There are a number of chapter members registered for the rally, some are staying overnight and others are planning just a day ride to the rally. No matter your plans please send out an email to chapter members and let them know your plans so informal riding groups can be put together. Personally, I'm hoping to ride up on Friday to check out the rally and would be glad to have anyone ride along.

In September we'll be having our chapter picnic. As usual we'll ride a bit before settling down for some lunch, a few games and a cold one or two.

Still later in the season we will be having our annual charity ride. Our chapter has donated thousands of dollars to local charities over the past ten years and it's a tradition I hope continues for many more. Our members are always so generous. We'll have more to say about the charity ride in the future.

That's about it for now. If you have suggestions about rides or activities please talk to one of our officers. This is your chapter and we want it to be reflective of your interests. Step up and help make this "kick ass" chapter even better. ~Ken

Road Captain Report

David Payne

It is hard to believe, but the first half of the riding season is over. It has gone by too fast. We have had some great rides! The rides have taken us on new roads and shown us beautiful areas. If you have not gone on a ride this season you are missing out.

We held a Road Captains planning meeting at Ken's

residence on June 20th. This meeting was held to schedule the rides for the last part of the year.

If you would like to head a ride, or have an idea for a ride, please contact one of the Road Captains and provide them with the information.

We are always looking for new ideas and destinations and

new ideas that are too late this year can go into next year's file!

My thanks to the Road Captains for their time and planning of the rides. ~Dave

Membership Report

Terry Fox

I'm writing this from the beach. I haven't been home, but two days in the last two weeks!! The last I checked we had 46 members!. With the last one being Brad Buster's renewal!

As most of you know I spent my 60th birthday, riding to Las Vegas, then we rode to Virginia City, where we woke up with 4 inches of snow, after 2 hours waiting for it to clear, we rode across the

desert. Here we were greeted by cold rain and about 50 mile an hour winds. After we spent the night in N. M., we woke up to 38 degrees, on to Texas, where it was 97 degrees!! After we finally made it to Memphis, it rained all the way home.

5000 miles in 10 days, we seen plenty of sights and all kinds of weather. Now I'm resting at the beach, resting my butt!! Y'all have a good

summer! And Screw it let's Ride!! ~Fox

**Editor's Note: Check out Fox's pictures from his adventures on the next page in the HOG Tales section! Thanks Fox!

Activities Report

Tim "Red" Thomas

Hello HOG members! It's hard to believe we are in the dead heat of summer. We have had some good rides and good food so far this year!

As of now I am working on the Sounds game on August 26th. So far only a few responses to my email with people saying they are going. Come on folks it's a good time!

Our picnic will be here before you know it. Updates will be coming in the future so keep your eye on your email from us as we would like to see everyone at this Maury

County based event. You don't have to make the ride to come to the picnic!

I've also received some ideas for adventures we can take, but due to the heat and vacations I think we will wait until the fall for those.

I hope to see everyone at our next meeting and at many of our rides. ~Red

Editor's Note

Jon "Doc" Ullrich

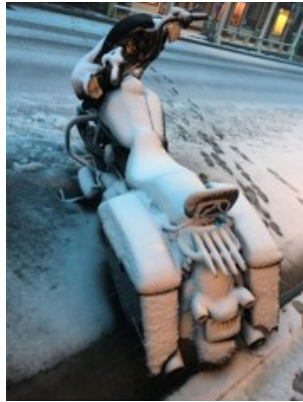

Hey Muletown! As the riding season nears the halfway point, I hope you will consider contributing to your Muletown HOG Chapter #2033 newsletter. There are so many great stories we can all tell from riding and some of you have taken some great rides this year. Your

Muletown family would love to hear about your adventures! You can send them to me via email either as an attachment or in the body of the email, as an old fashion snail-mail letter (my kids would get a kick out of that), or texting works too. As you can see below, a picture is worth

1,000 words too! I look forward to publishing your story for everyone to read and enjoy. Ride Safe, ~Doc

It is about the bikes and the people,
after all.

Chapter Purpose

The purpose of this chapter is to promote responsible motorcycling activities for local Harley Owner Group (H.O.G.) members by conducting Chapter activities and encouraging members to participate in other H.O.G. events. Chapter activities and operations shall be conducted in a manner consistent with a family oriented, non-political, philosophy. We are dedicated to advancing the enjoyment, image, and safety of the sport of motorcycling.

Secretary/Treasurer Report

Eddie "Zero" Fisher

As I write this article on the morning of June 6th, Rodney, Spoon, Bruce and Fox are out on a bike adventure to Virginia City, NV. They should have some good stories to tell when they get back!

Our bank account balance as of today is \$1132.04. We should slowly gain funds as we go through the year until the Chapter picnic and Christmas

party. Those two events are where we spend the majority of our Chapter money. Keep playing the 50/50 at the Chapter meetings as that is our only fund raiser.

We have had some great rides so far this year. The Road Captains will soon be planning the second half of the riding season. Give them your input for ride ideas and

destinations. Consider becoming a Road Captain. We can always use more ride leaders.

~Zero
